Hello dear sportsfriends,

For all Czech press/media you can use the attached application form. Please add this form to your website.

Let them complete the form and send it back to the local press officer to verify the credentials.

If you get any questions about press accreditations, you can redirect the national (Czech) questions to your local press officer.

All accreditations will be verified and granted by WSC and we also prepare the envelopes with the documents for each of them.

1 week before the event I will send a confirmation to each accredited photographer/journalist with instructions for the event.

- **MANUFACTURERS**

If there are any requests for team- or manufacturers license holders for additional entrance, just redirect their requests to [sportoffice@fimsidecarcross.com](mailto:sportoffice@fimsidecarcross.com)

All official manufacturers do get their access by WSC.

Additional service companies who wants to have access to the paddock can also be redirected to sportoffice.

For access to the paddock we create an list of manufacturers for the paddock official.

- **DISABLED/LESS MOBILE PERSONS**

If there are any request from disabled or less mobile persons, please forward these request to [sportoffice@fimsidecarcross.com](mailto:sportoffice@fimsidecarcross.com)

We will also help them and create an envelope with parking card

If you have any questions, I'd love to hear them.

Kind regards
